<b>Lewinsohn Garage de Papa Blanc 2023</b> .....	176	47

<b>Lewinsohn Garage de Papa Rouge 2022</b> .....	188	52
Mediterranean blend of Syrah and Petite Sirah. An elegant, powerful wine with intense fruity notes yet gently spiced. Its wonderful complexity comes from 12 months aging in oak barrels.		
<b>Lewinsohn "Whole clusters" 2021</b> .....	294	69
Our winery's flagship wine - 100% Petite Sirah from a single vineyard in Givaat Ye'shayahu in the Elah Valley. On the nose, "earthy" notes and blackberries. Soft and velvety tannins are obtained in the mouth due to the meticulous technique and method of production. Only 3 barrels were made.		

#### Lewinsohn in the world

<b>Künstler &amp; Lewinsohn Riesling off-dry "Kuntz", Rheingau, Germany 2023</b> .....	153	45
An off-dry and aromatic wine, characterized by subtle sweetness and high yet balanced acidity leading to a particularly fresh and fruity finish. This wine was produced as a collaboration between the famous Künstler Winery (2024 Germany's winery of the year, Wein Plus) and Lewinsohn winery.		
<b>Künstler &amp; Lewinsohn Rudesheimer Berg Rottland (GG), Rheingau, Germany 2021</b> ...	283	---
Dry Riesling from the finest vineyards created by the Künstler Winery in the Rheingau region in Germany. The wine shows finesse and minerality with a long delightful lingering finish.		
<b>J.J Prüm Graacher Himmelreich Kabinett, Mosel, Germany, 2017</b> .....	290	---
A twin wineries project between Lewinsohn Winery and the classic winery from the Mosel River in Germany. Semi-dry Riesling - mineral and concentrated, with prominent flavors of peach and floral aroma. Despite the pronounced sweetness, the wine has high acidity that accompanies and balances beautifully each sip.

**Bodegas Granbazán, Albariño, Rías Baixas, Spain 2023** ..... 180 47

#### Red | Fruity and Spicy

**Terre Nere, Etna Rosso, Sicily, Italy 2021** ..... 192 ---
